

Leaving Feathers: poetry in healing

Leaving Feathers is the act of leaving behind positive memories, experiences, lessons and teachings for others to gain benefit from so that their lives can be greatly improved through learning. Through prose and poetry, this book provides an insight into how this can be done and the beneficial impact that leaving feathers can have on those around us. Leaving Feathers will take you on a gentle and informative walk that will seek to open hearts and minds in a manner that relates to improving the life not just of the reader, but of those you come into contact with. Leaving Feathers is a tender, compassionate read that will allow each reader to form a closer bond with verse, and in a caring, healing way.

Green Artists League GALvanizing Eco-Responsibility Subscribe via RSS HOME ABOUT ALCHEMICAL GARDEN ECOVENTIONS Help Cultivate The Alchemical Garden: An Edible Garden and Art Park at Newburyport's Rail Trail Posted by erin on April 25, 2011 3 comments The Alchemical Garden site February 2010 GAL is turning a desolate field of weeds into a visually compelling garden that will educate and engage the community for years to come. Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
