

# Southern Baptist Politics (Library and Information Science)

A study showing how one of Americas leading Protestant denominations has been shaped by the philosophical and political presuppositions of its secular environment. Farnsley offers us an engaging analysis of how the SBC moved dramatically to the right in the 1980s. By exploring the interplay of authority and power, he reveals how Fundamentalists subverted the Convention and institutionalized their control of it. Farnsleys general approach could be applied to other contemporary religious denominations and private-sector institutions. John F. Wilson, Princeton University Unlike other recent studies of the Southern Baptists, Southern Baptist Politics was written after the culmination of the Baptist battles of the 1980s, when Fundamentalists had effectively taken control of the denomination. It also considers the SBC not simply as a denomination but as an organization with characteristics similar to other voluntary associations in American society--an approach that promises to be useful for the study of other religious groups in America. Arthur Farnsley concludes that the SBC, as an American denomination, had within itself the seeds of pragmatism and individualism that characterize most American voluntary organizations. Of primary interest to Farnsley are the crucial issues of authority and power. Taking his cue from Paul Harrisons classic study, Authority and Power in the Free Church Tradition, Farnsley considers how authority has traditionally been exercised within the SBC, and how Fundamentalists maneuvered within this existing authority structure to seize power. According to Farnsley, disgruntled Fundamentalists soon discovered that they could exploit the democratic elements within the SBC polity to their advantage. So successful were they in their efforts that by 1990 all significant leadership positions within the denomination were filled by

Fundamentalists, thus enabling them to take, and hold, institutional power. The lessons of Southern Baptist Politics extend beyond this one denomination. By using the Southern Baptists as a case study, Farnsley asks what the SBC controversy can tell us about religious organizations in America, about dealing with cultural pluralism, and about institutional means for creating change.

Green Artists League GALvanizing Eco-Responsibility Subscribe via RSS HOME ABOUT ALCHEMICAL GARDEN ECOVENTIONS Help Cultivate The Alchemical Garden: An Edible Garden and Art Park at Newburyport's Rail Trail Posted by erin on April 25, 2011 3 comments The Alchemical Garden site February 2010 GAL is turning a desolate field of weeds into a visually compelling garden that will educate and engage the community for years to come. Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience ( sight, smell, touch, taste, smell) with the garden and the community.
