

Contemporary Perspectives on Leadership: Focus and Meaning for Ambiguous Times

Contemporary Perspectives on Leadership is about keeping us up-to-date on the research and practice of leadership during dynamic times, in organizations as well as in our everyday lives, as individuals and as members of groups, as leaders and as followers. The contributors to this text show us that the skills required to lead in this changing workplace are multifaceted and demanding, but that there are some approaches that hold fast regardless of the circumstances or the objectives. Topics covered include: Transformational and charismatic leadership The impact of culture on leadership Wellbeing and transformational leadership Positive leadership: Accentuating and cultivating human resources The need for moral leadership not moral leaders Not-For-Profit Leadership Succession planning Leadership development Skills gaps in leadership Leadership and CSR

Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
