

Rebbe Nachmans Wisdom

This classic work presents Rebbe Nachmans everyday conversations and fundamental teachings on everything from faith, joy and meditation to Kabbalistic insights. The conversations were recorded verbatim by his leading disciple, Reb Noson, producing a vivid picture of the atmosphere surrounding the Rebbe, his wit, directness and wisdom. Includes an account of Rebbe Nachmans adventure-filled pilgrimage to the Holy Land at the height of the Napoleonic wars in 1798.

Trail Posted by erin on April 25, 2011 3 comments The Alchemical Garden site February 2010 GAL is turning a desolate field of weeds into a visually compelling garden that will educate and engage the community for years to come. Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
