

The New Christian Right

This book of original essays provides an objective and enlightening analysis of the emergence and changing forms of the New Christian Right. The subject is in itself important in contemporary American life, but in addition The New Christian Right reexamines standard theories of social movements and the relationship between religion and politics in America today. The book presents findings from original research, including surveys, personal interviews with elites, analysis of financial documents, reanalysis of existing data, and analysis of direct-mail solicitations and other primary literature. The New Christian Right is balanced and objective rather than partisan and evaluative. Using non-technical and non-jargonistic language, the authors raise questions concerning the nature of religion, the role of status groups, and contemporary directions in American culture.

Green Artists League GALvanizing Eco-Responsibility Subscribe via RSS HOME ABOUT ALCHEMICAL GARDEN ECOVENTIONS Help Cultivate The Alchemical Garden: An Edible Garden and Art Park at Newburyport's Rail Trail Posted by erin on April 25, 2011 3 comments The Alchemical Garden site February 2010 GAL is turning a desolate field of weeds into a visually compelling garden that will educate and engage the community for years to come. Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
