

The Vitality Imperative: How Connected Leaders and Their Teams Achieve More with Less Time, Money, and Stress

The ever-present challenge for leaders is how to get more done with less time, money, and stress. The Vitality Imperative answers that question and gives leaders a reliable road map for how to create and sustain a humane and lasting approach to the thorniest of challenges and opportunities in a modern organization. We are members of Conversant, global experts in how the connection skills of leaders impact commitment, creativity, and performance. Based on Conversants deep international experience, we have captured a powerful understanding of how a Connected Leader can produce more than a Superior Leader...including more satisfaction and more widespread capability. The outcome is more engaged, alive, successful employees creating surprising results. Betting on vitality requires different awareness and skill than betting on personal brilliance and position power. For the last twenty-five years, we have been appreciating awareness and skill in leaders around the world. We now know this: there is a design to vitality, and a committed leader can learn the design and put it to work--both personally and organizationally. We promise you a fast-moving reading experience that features:

- Self-evident principles to provoke new thought and action
- Engaging examples of these principles in action
- Personal and team practices to test the principles and cultivate personal and organizational effectiveness

Green Artists League GALvanizing Eco-Responsibility Subscribe via RSS HOME ABOUT ALCHEMICAL GARDEN ECOVENTIONS Help Cultivate The Alchemical Garden: An Edible Garden and Art Park at Newburyport's Rail Trail Posted by erin on April 25, 2011 3 comments The Alchemical Garden site February 2010 GAL is turning a desolate field of weeds into a visually compelling garden that will educate and engage the community for years to come. Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring

Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
