

# Understanding the Social in Social Media: How to Grow Your Business by Being Successfully Social

In *Understanding the Social in Social Media*, business coach Taylor Ellwood discusses the importance of being social on social media and how social behavior can be a successful way to market to your audience. While social media is a marketing platform, it also is so much more, but what many professionals and businesses miss out on is cultivating the relationships they form on social media into business relationships that can help them grow business or prosper in their career. You will learn the following: How to write invitations that get you in the door with someone, instead of just becoming a number. The importance of developing social media policies. The difference between good and bad social media behavior What being social really means and how it can impact your Return On Investment Just being on social media isnt enough. Learn how to be successfully social and watch as it changes your social media connections into business connections that grow your business!

Green Artists League GALvanizing Eco-Responsibility Subscribe via RSS HOME ABOUT ALCHEMICAL GARDEN ECOVENTIONS Help Cultivate The Alchemical Garden: An Edible Garden and Art Park at Newburyport's Rail Trail Posted by erin on April 25, 2011 3 comments The Alchemical Garden site February 2010 GAL is turning a desolate field of weeds into a visually compelling garden that will educate and engage the community for years to come. Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience ( sight, smell, touch, taste, smell) with the garden and the community.
