

The Really, Really, Really Easy Step-By-Step Computer Book (Windows 7 Edition) or Absolute Beginners of All Ages

The goal of The Really, Really, Really Easy Step-by-Step Computer Book (Windows 7) for absolute beginners of all ages is to get the novice user up and running and using their computer for the most popular tasks in the shortest possible time. It will teach them how to type and print documents, access information and entertainment resources on the World Wide Web, communicate via e-mail and use many of the more important features of Microsoft Windows 7. From explaining how to open a program, to surfing the Internet and protecting oneself from phishing scams, this easy-to-follow guide presents exact replicas of icons that appear on the screen, as well as screenshots showing what to expect, all accompanied by step-by step, colour-coded instructions. All books in the Really, Really, Really Easy Step-by-Step Series are supported by a dedicated website, providing additional help.

Green Artists League GALvanizing Eco-Responsibility Subscribe via RSS HOME ABOUT ALCHEMICAL GARDEN ECOVENTIONS Help Cultivate The Alchemical Garden: An Edible Garden and Art Park at Newburyport's Rail Trail Posted by erin on April 25, 2011 3 comments The Alchemical Garden site February 2010 GAL is turning a desolate field of weeds into a visually compelling garden that will educate and engage the community for years to come. Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
