

Skin Care: Beyond the Basics

Skin Care: Beyond the Basics, the second edition of Milady's Skin Care Reference Guide, offers the latest developments and scientific breakthroughs in skin care. Presented in an easy-to-understand fashion, this text provides students with practical information and solutions to situations commonly experienced by practicing estheticians. The text has been completely updated with new and expanded sections on AIDS, rosacea, Hepatitis B and C, sensitive skin, alpha hydroxy acids, antioxidants, menopause, and post-laser skin treatment. Over 100 current and new photos are included in the new 32-page color insert.

Located on a 160 x 25 site near the south entrance of Newburyport's Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
