

Indian for Everyone: The Home Cooks Guide to Traditional Favorites

The best Indian food is cooked (and eaten) at home. Real Indian food is fresh, simple, and packed with flavor. In *Made In India*, Praveen introduces you to the food she grew up eating every day. Unlike the fare you get at your local Indian takeout joint, her food is vibrant and surprisingly quick and easy to make. *Made In India* will change the way you cook, eat, and think about Indian food forever.

Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
