

Cliff Falls

The night of his eighteenth birthday, Clay Grant, exploited child star of 80s sitcom hit Little Guy Mike, disappears after a mysterious fire destroys the Hollywood studio backlot. Chased by the media and haunted by his past, he's been on the run for fifteen years, until a fight with a determined photographer lands him in jail and ends his self-imposed exile. Just when the media is descending, motivational pastor Reagan Mitchell shows up in Clay's cell and offers him a deal to buy his freedom. Unsure if he can trust Reagan, but out of options, Clay arrives in majestic Cliff Falls under an overcast sky and quickly discovers no one escapes life. What happens when you run into everything you've been running from? In a world where entertainment has become our religion and religion our entertainment, Cliff Falls wrestles with the question of what does it mean to be truly human; comfortable in your own skin when everyone wants you to be someone or something else? What Clay discovers will change his life and perhaps yours.

Green Artists League GALvanizing Eco-Responsibility Subscribe via RSS HOME ABOUT ALCHEMICAL GARDEN ECOVENTIONS Help Cultivate The Alchemical Garden: An Edible Garden and Art Park at Newburyport's Rail Trail Posted by erin on April 25, 2011 3 comments The Alchemical Garden site February 2010 GAL is turning a desolate field of weeds into a visually compelling garden that will educate and engage the community for years to come. Located on a 160 x 25 site near the south entrance of Newburyport's Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
