

## Never Too Late (Flirt)

Can acting in love lead to the real thing? This standalone addition to the Flirt series, now with a new cover, is sweet, fresh, and clean. Abbey couldn't be more excited. The end of the school year is coming, as is the annual sophomore class renaissance fair and the headlining theatrical performance, where Abbey will be starring as a lead. There's only one problem: her costar, Jason Hardy. Everyone else might think Jason is perfect, but Abbey knows the truth. She remembers what he did at the school dance, and she knows he's a total jerk. But during the daily rehearsals, Abbey starts to see a side to Jason she hadn't noticed before...and he might not be as bad as she thought. Each day she's falling for him just a little bit more, and she thinks maybe Jason feels the same. Or maybe he's a better actor than Abbey could have guessed.

Green Artists League GALvanizing Eco-Responsibility Subscribe via RSS HOME ABOUT ALCHEMICAL GARDEN ECOVENTIONS Help Cultivate The Alchemical Garden: An Edible Garden and Art Park at Newburyport's Rail Trail Posted by erin on April 25, 2011 3 comments The Alchemical Garden site February 2010 GAL is turning a desolate field of weeds into a visually compelling garden that will educate and engage the community for years to come. Located on a 160 x 25 site near the south entrance of Newburyport's Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels: Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience ( sight, smell, touch, taste, smell) with the garden and the community.
