

The Foundations of Mindfulness: A Buddhist Guide to Insightful Meditation

The Foundations of Mindfulness is a journey into two of Buddhism's methods of meditating. Named for the sutra (teaching) that describes the methods, readers are led through the whole process from start to finish and can find immense inner tranquility and relaxation through these techniques.

Located on a 160 x 25 site near the south entrance of Newburyport's Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
