

Loveland: Music for Dreaming and Awakening

Enter Loveland - a place where time dissolves, and the heart within your heart is awakened, where world music visionary Jai Uttal merges the pulsing beat of the universe with the flowing source of energy through sacred melodies to the Divine. Here, the Grammy? Award-nominated multi-instrumentalist and vocalist joins Ben Leinbach to create six extended tracks of evocative compositions that celebrate the breath of life, revel in the power of infinite love, and invite you to deeply experience the numinous.

Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
