

Tax Planning For Forex Traders

One of the problems faced by forex traders and investors is obtaining detailed tax planning advice. In this new book, trading tax specialist Lee Hadnum FCA CTA, looks at how forex traders are taxed and the strategies they can employ to reduce their taxes. Subjects covered in this book include: Trading or Investing in Forex Deciding whether you are a trading or investing in Forex will have a huge impact on your tax position. This is covered in detail with the aid of numerous examples to illustrate key points. National Insurance For Forex Traders Top Tax Deductions There are a number of tax deductions that traders and investors can deduct. Note that the rules for forex traders are very different to the rules for forex investors. We look at the principles that apply and illustrate the top deductions you can claim to reduce tax Maximising Home Deductions If you trade forex from home there are lots of tax deductions available. CGT Matching Rules For Forex Investors If you're a forex investor the matching rules determine how you determine the cost of your forex disposals for calculating your capital gain. Having a good understanding of these rules allows you to maximise timing benefits. Making The Most Of Capital Losses If you incur losses you will want to ensure they are offset as tax efficiently as possible. Deferring CGT On Forex Gains Deferring CGT significantly increases your trading balance. We look at the main occasions you can defer CGT on Forex gains. Income Splitting To Reduce Tax Income splitting allows you to share the forex income/gains with another person to maximise the offset of personal allowances and basic rate tax bands. Common Forex Q&As Avoiding The 45% Rate of Income Tax The 45% rate of income tax applies to income (including Forex profits) over ?150,000. We look at the main ways you can avoid this tax

rate. Using a UK Company For Forex Investing/Trading If you trade personally you could be taxed at rates up to 45%, and investors can pay tax at upto 28%. A UK company could pay just 20%. We look how UK companies can be used by forex traders and investors to reduce tax. Using An Existing Company If you own an existing company you may consider using any surplus funds in the company to carry out a forex activity. However, there are a number of UK tax implications. We look at this in detail. Non Residence And Forex Tax Non UK residents have a number of UK tax advantages if they are trading or investing in forex. We look when this status can be used to avoid UK tax. Tax Planning If You Plan To Become Non-Resident In The Future If you are UK resident now but anticipating becoming non-resident in the future there are a number of steps you can use now to reduce tax. Establishing Treaty Residence Overseas When You Can Benefit From Offshore Forex Using offshore forex trading can still be used to reduce tax - we show you when Using An Offshore Broker For Forex Trading Or Investing Making The Most Of Non Residence Using An Offshore Company For Forex Trading Or Investing Using An Offshore Foundation For Forex Trading Or Investing About The Author The Author of Tax Planning For Forex Traders is Lee Hadnum FCA CTA. Lee is a rarity among tax advisers having both legal and chartered accountant qualifications. After qualifying a prize winner in the Institute of Chartered Accountants exams, he also went on to become a chartered tax adviser (CTA). Lee is the former tax columnist at YourTradingEdge - a popular financial trading publication.

Green Artists League GALvanizing Eco-Responsibility Subscribe via RSS HOME ABOUT ALCHEMICAL GARDEN ECOVENTIONS Help Cultivate The Alchemical Garden: An Edible Garden and Art Park at Newburyport's Rail Trail Posted by erin on April 25, 2011 3 comments The Alchemical Garden site February 2010 GAL is turning a desolate field of weeds into a visually compelling garden that will educate and engage the community for years to come. Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of

Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
