

Child of Duende: A Journey of the Spirit

When twenty-eight-year-old German journalist Ingrid returns to her childhood home of Malaga, Spain, its to cover a remarkable story: on Senor Ramoss vineyard, the vines are growing out of control. Whats more, they appear to be bleeding. Can it possibly be true? Ingrid feels a mysterious connection to the increasingly strange events taking place in her hometown, but why? As Ingrid's story interweaves with that of an eight-year-old child, whose grandmother fates her with the name Duendea word that refers to the spirit of the earth that one must awaken from within Ingrid embarks on a journey of personal rediscovery. Duende dances with Gypsies; speaks with her grandmothers spirit; travels with a nature spirit into the sea; and has dreams that deeply transform her reality and Ingrid's. Ultimately, Ingrid's return home reveals a truth that has been buried in the ground for millennia.

Described by world-renowned teacher and award-winning author Sandra Ingerman as a beautiful story that will take you into magical and mystical realms, Child of Duende is a journey home. New York Times Bestselling Author John Perkins also added, Child of Duende takes us on a voyage where the earth speaks about our immense power and responsibility as humans to be agents of change for a better world....We discover, through Michelle Adams magical storytelling, who we are capable of being. Child of Duende weaves spiritual and mystical fiction, like that of The Celestine Prophecy and Paulo Coelho's works, with South American magical realism (found in Isabel Allendes writing) and the passion and soul of the Spanish landscape.

Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical

Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
