Green Artists League GALvanizing Eco-responses via RSS HOME ABOUT ALCHEMICAL GARDEN ECOVENTIONS Help Cultivate The Edible Garden and Art Park at Newburyport's Rail Trail Posted by erin on April 25, 2010 Alchemical Garden site February 2010 GAL is turning a delicate field of flowers into a vibrant space that will educate and engage the community for years to come. Located on a 1.5-acre site near the Newburyports Clipper City Rail Trail, the Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
