

And They Shall Be My People: An American Rabbi and His Congregation

Rabbi Jay Rosenbaum is devoted to his congregation of mostly middle- and upper-middle-class Conservative Jews -- yet their lax observance frustrates and saddens him. Competing daily with an increasingly secular culture, Rosenbaum struggles to show his congregation the riches and fulfillment of an observant Jewish life. Exploring the rabbis sometimes troubled, sometimes joyful leadership, *And They Shall Be My People* presents a complex and human portrait of American Judaism in our modern age. A striking and valuable book... A powerful, haunting story for a society easily seduced by new emphases and values. -- Gerald I. Wolpe, *The Philadelphia Inquirer*; To call this a revealing portrait is an understatement. It is a mirror of organized Jewish life. -- Robert L. Wolkoff, *The Plain Dealer* (Cleveland)

Green Artists League GALvanizing Eco-Responsibility Subscribe via RSS HOME ABOUT ALCHEMICAL GARDEN ECOVENTIONS Help Cultivate The Alchemical Garden: An Edible Garden and Art Park at Newburyport's Rail Trail Posted by erin on April 25, 2011 3 comments The Alchemical Garden site February 2010 GAL is turning a desolate field of weeds into a visually compelling garden that will educate and engage the community for years to come. Located on a 160 x 25 site near the south entrance of Newburyport's Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
