

Profit Without Honor: White Collar Crime and the Looting of America (4th Edition)

Clearly exposes the battle between personal gain and individual integrity and provides a comprehensive overview of white-collar crime in American society. Presenting a vivid picture of all types of white-collar crime, the book covers high-profile cases, the latest trends in criminal activity and a thorough discussion of the victims and consequences of these criminal behaviors. Utilizing both academic and popular sources, Profit Without Honor provides a vast array of information on white-collar offenses and challenges readers to grasp the importance and long term effects of this growing American problem. Single source of comprehensive information on the topic of white-collar crime. Discusses all types of white-collar crime and the many places it occurs, from schools, to corporations, to government, to hospitals. Comprehensive case histories give readers a full understanding of the nature and consequences of different forms of white-collar crime. Gives equal coverage to the victims of white-collar crime, as well as the offenders. Covers computer crime. Contains thousands of references and allows readers to easily locate a topic and reference it within the text. Appropriate for all criminal justice/law enforcement-related personnel who deal with white-collar/corporate crime issues, as well as for all members of police departments.

Located on a 160 x 25 site near the south entrance of Newburyport's Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to

compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
