

The Memorization Holy Quran (Arabic Edition)

This copy of the Noble Quran is based on the Uthmani script according to the recitation of Hafs an Aasim. The copy is followed by dua khatmul Quran (the supplication for completion of the Quran), an index arranged according to the order of the Surahs, and pages explaining Quranic punctuation and recitation guidelines. Also included is an introduction to the idea of the Mushaf and to researchers Omar Ahmad El-Habash and Dr. Mohammad Deery, who worked on this project. It contains some tips along with a suggested schedule for easy memorization of the Quran, and includes the first two words of each verse in the margin.
