

Binghamton University NY 2007 (College Prowler: Suny Binghamton Off the Record)

Introduction from the Author If you attend Binghamton, you better be prepared to carry a student directory with you wherever you go. Mention at a party in New York City that you attend Binghamton and someone is bound to drop the name of a friends sisters best friend who goes there, and do you know them? Talk about your experiences at Binghamton during a job interview, and its Oh yes, my cousin went there and loved it, and is that jerk still teaching chemistry? I was once wearing a Binghamton T-shirt outside a Fort Lauderdale restaurant when a woman approached me, just to let me know that she and her husband also went to Binghamton, and how do I find it? Its certainly reassuring to hear your schools name mentioned with such affection over and over again, and its even more reassuring to know that the name dropping will only increase. Binghamton continues to grow every year, expanding its reputation as a successful academic institution, as well as developing a competitive athletics program and a nationally-recognized graduate and research facility. Binghamton continually ranks as one of the nations best public institutions and a top value for undergraduate education. Binghamton also offers a nationally-ranked graduate program and highly competitive engineering and nursing schools. Furthermore, Binghamton will look to not only maintain, but also improve these rankings as it grows over the years. The school that was once respectably, but unoriginally, nicknamed the Harvard of the SUNY system is finally developing a personality of its own, and as Binghamton grows and becomes better known, its standing and value will only increase. Yet the question that this book attempts to answer is not whether Binghamton is an excellent school, but rather if Binghamton is an excellent school for you. Even with

all the information this book provides, getting the feel for a school's true personality is a hard task, and choosing the right school among so many can prove overwhelmingly difficult. The goal is to explore your needs and options and make as educated a decision as possible. As for exploration, be it academically, personally, or socially, it is a major part of the college experience. If I can offer one piece of advice, it is to look for a school that not only matches your personality now, but also affords the most opportunities for exploration. I hope this book helps with your search and provides information on all the opportunities available for you at Binghamton University. Scott Kutscher, Author Binghamton University

Green Artists League GALvanizing Eco-Responsibility Subscribe via RSS HOME ABOUT ALCHEMICAL GARDEN ECOVENTIONS Help Cultivate The Alchemical Garden: An Edible Garden and Art Park at Newburyport's Rail Trail Posted by erin on April 25, 2011 3 comments The Alchemical Garden site February 2010 GAL is turning a desolate field of weeds into a visually compelling garden that will educate and engage the community for years to come. Located on a 160 x 25 site near the south entrance of Newburyport's Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels: Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
