

## kraft-tex®: Roll, Natural

Wait until you get your hands on this rugged paper that looks, feels, and wears like leather, but sews, cuts, and washes just like fabric. krafttex is supple, yet strong enough to use for projects that get tough wear. Use it to bring an exciting new texture to your craft-sewing projects, mixed-media arts, and bookmaking. Color may vary slightly between rolls. Play with it! Sew it, stamp it, draw on it, fold it, inkjet print it Durable enough for totes, belts, wallets, book covers, luggage tags, and more The fiber-based texture softens and crinkles with handling and washing

Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience ( sight, smell, touch, taste, smell) with the garden and the community.
