

The Jewish Mystics

This guide to an extraordinary tradition of visionary experience is translated and introduced by a prominent rabbi, the author of such works as *Hasidic Prayer*. It traces the mystic tradition as it exists throughout the history of Judaism. Mysticism is at least as ancient as the Book of Ezekiel and its influence can be clearly discerned in Jewish culture of modern times. This annotated collection of Jewish mystical testimonies ranges from Ezekiel in the world and time of the Torah down the millennia and across all the Diaspora. It includes pages from the enigmatic Zorah; the great Jewish writers of the medieval world; and Aaron Roth, whose visions of dungeons and fire seemed to foreshadow the Holocaust.

Green Artists League GALvanizing Eco-Responsibility Subscribe via RSS HOME ABOUT ALCHEMICAL GARDEN ECOVENTIONS Help Cultivate The Alchemical Garden: An Edible Garden and Art Park at Newburyport's Rail Trail Posted by erin on April 25, 2011 3 comments The Alchemical Garden site February 2010 GAL is turning a desolate field of weeds into a visually compelling garden that will educate and engage the community for years to come. Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
