

Guidance from the Darkness: How to Thrive through Difficult Times

An exploration of our potential for personal transformation through experiences of pain and crisis. Through years of working with congregants in pastoral-care situations, Mary Murray Shelton, a popular leader with the United Church of Religious Science, has observed that difficult experiences in our lives are opportunities for us to move forward in profound ways. In *Guidance from the Darkness*, she offers an alternative interpretation of what happens in times of darkness, that provides hope and that steers the sufferer into new realms of power, love, beauty, strength, and success. *Guidance from the Darkness* is for anyone who wants to grow through pain rather than be shut down by it. Going beyond symptom relief to the deeper causes of pain, Shelton shows how our inner divine wisdom can custom-make a permanent healing that involves changing both behavior and thought.

Green Artists League GALvanizing Eco-Responsibility Subscribe via RSS HOME ABOUT ALCHEMICAL GARDEN ECOVENTIONS Help Cultivate The Alchemical Garden: An Edible Garden and Art Park at Newburyport's Rail Trail Posted by erin on April 25, 2011 3 comments The Alchemical Garden site February 2010 GAL is turning a desolate field of weeds into a visually compelling garden that will educate and engage the community for years to come. Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
