

Christian Spirituality: A Historical Sketch

Lord, Teach Us to Pray In Christian Spirituality: A Historical Sketch, George Lane looks to the sources of the Christian spiritual tradition in order to establish a firm ground for a vital contemporary spirituality. Quoting the great Jesuit scientist and mystic Teilhard de Chardin, Everything is the sum of the past; nothing is comprehensible except through its history, Lane examines the masters of Christian spirituality in their historical context. He shows why the hermits of the East, the monks of the West, Basil, Athanasius, Origen, Jerome, Augustine, Benedict, Dominic, Francis, Ignatius Loyola, Teilhard, and others were so influential in their time and why they have much to teach us today.

Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
