

Goodman & Gilman's the Pharmacological Basis of Therapeutics, 11th Edition

A Doodys Core Title ESSENTIAL PURCHASE! 5 STAR DOODYS REVIEW! The 11th edition of Goodman & Gilman continues to be the most comprehensive and authoritative single source on the pharmacology of drugs. The first edition was published by Alfred Gilman and Louis Goodman in 1941. It soon became known as the bible of pharmacology and, even though editorship and chapter authorships have changed continuously from edition to edition, this remains the gold standard of pharmacology textbooks....The print version should be on the reference shelf and the digital version on the computer desktop of all practicing pharmacologists, pharmacists, and physicians.--Doodys Review Service

Green Artists League GALvanizing Eco-Responsibility Subscribe via RSS HOME ABOUT ALCHEMICAL GARDEN ECOVENTIONS Help Cultivate The Alchemical Garden: An Edible Garden and Art Park at Newburyport's Rail Trail Posted by erin on April 25, 2011 3 comments The Alchemical Garden site February 2010 GAL is turning a desolate field of weeds into a visually compelling garden that will educate and engage the community for years to come. Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
