

Harzfelds: A Brief History (Landmarks)

In 1891, Siegmund Harzfeld and the Parisian Cloak Company introduced a new era of commerce and fashion to the residents of Kansas City. Women no longer needed to make lengthy and expensive appointments with dressmakers to maintain the latest fashion trends; the ready-to-wear movement had begun! Join historians Joe and Michele Boeckholt as they uncover the story behind Harzfelds department store, from its first offering of coats, blouses, petticoats, and furs to the beloved Petticoat Lane flagship location and regional network of satellite stores. With archival photographs and memorabilia, personal narratives and interviews, and a wealth of local and historical knowledge, the history of this local landmark franchise is revealed, one seam at a time.

Green Artists League GALvanizing Eco-Responsibility Subscribe via RSS HOME ABOUT ALCHEMICAL GARDEN ECOVENTIONS Help Cultivate The Alchemical Garden: An Edible Garden and Art Park at Newburyport's Rail Trail Posted by erin on April 25, 2011 3 comments The Alchemical Garden site February 2010 GAL is turning a desolate field of weeds into a visually compelling garden that will educate and engage the community for years to come. Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
