Regularly priced at \$4.99. Discover the Healthiest Way To Eat Human beings have been on the planet for a couple of million years, but in that time, it is only in the last few years that we have been cooking. Though cooked food has its benefits, our history with raw foods means that we have been conditioned to eat it, and what a better way to become healthier than to eat as nature intended? The key to the secrets of a healthier, happier lifestyle are within the pages of this book Why Learn About the Raw Food Diet Understand how humans evolved to eat their food Learn about why it is important to eat raw food Gain insight into the benefits of the raw food diet Discover the foods that can be eaten raw Learn about promoters of the Raw Food Diet Learn what you will need to help you adopt the diet Here Is A Preview Of What You'll Learn... The specifics of the Raw Food Diet The importance of eating fresh, raw foods Reasons you should not be intimidated by the diet Different sources for protein other than meat The advantages and disadvantages of cooking The importance of natural enzymes in your food Good sources for vitamins and minerals Foods that can be safely eaten raw The best way to prepare raw foods for breakfast Foods you should avoid when on the diet Much Much More! Download your copy today! Take action today and download this book for a limited time discount of only \$2.99! Begin the journey towards a healthier happier you!

ECOVENTIONS Help Cultivate The Alchemical Garden: An Edible Garden and Art Park at Newburyportâ€™s Rail Trail Posted by erin on April 25, 2011 3 comments The Alchemical Garden site February 2010 GAL is turning a desolate field of weeds into a visually compelling garden that will educate and engage the community for years to come. Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience ( sight, smell, touch, taste, smell) with the garden and the community.
