

Jesus Christ: The Love and Wisdom of a 1st Century Mystic

Why is Jesus Christ perceived so differently by people who all call themselves Christians? And what do we know today about this charismatic first-century Jewish teacher who came to be viewed as God incarnate in the Christian tradition? Today, many people have close ties to Jesus Christ's person, life, and message yet they have no connection with any Christian church. *Jesus Christ: The Love and Wisdom of a First-Century Mystic* takes both churched and un-churched readers on a journey into the core of Jesus' timeless teachings on love and wisdom. Of all the mystic pioneers of humanity, Jesus may well be one of the most daring and demanding, who opened up a revolutionary new path based on love in action, radical inner transformation, and an alternative social vision. A fine, reverent, and bold exploration of Jesus' teachings for both churched and un-churched readers. Brother David Steindl-Rast, OSB

Green Artists League GALvanizing Eco-Responsibility Subscribe via RSS HOME ABOUT ALCHEMICAL GARDEN ECOVENTIONS Help Cultivate The Alchemical Garden: An Edible Garden and Art Park at Newburyport's Rail Trail Posted by erin on April 25, 2011 3 comments The Alchemical Garden site February 2010 GAL is turning a desolate field of weeds into a visually compelling garden that will educate and engage the community for years to come. Located on a 160 x 25 site near the south entrance of Newburyport's Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
