

Confessions of a Murder Suspect

James Patterson returns to the genre that made him famous with a thrilling teen detective series about the mysterious and magnificently wealthy Angel family . . . and the dark secrets they're keeping from one another. On the night Malcolm and Maud Angel are murdered, Tandy Angel knows just three things: 1) She was the last person to see her parents alive. 2) The police have no suspects besides Tandy and her three siblings. 3) She can't trust anyone--maybe not even herself. Having grown up under Malcolm and Maud's intense perfectionist demands, no child comes away undamaged. Tandy decides that she will have to clear the family name, but digging deeper into her powerful parents' affairs is a dangerous-and revealing-game. Who knows what the Angels are truly capable of?

Located on a 160 x 25 site near the south entrance of Newburyport's Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
