

# Introduction to Moral Theology (Catholic Moral Thought)

The encyclical *Veritatis splendor* established certain authoritative directions for doing Christian ethics from a Catholic perspective. The *Moral Thought* presents the foundations of moral theology and sets out parameters for the discipline that will continue to shape how the Church teaches about both the good of the human person and the norms that guide human action. This text explores the basic and central elements of the theological thinking behind the encyclical. It considers the principal methodological issues and substantive questions that must shape any adequate moral theology in the post-*Veritatis* period.

Located on a 160 x 25 site near the south entrance of Newburyport's Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience ( sight, smell, touch, taste, smell) with the garden and the community.
