

The Sacred Fire

The Sacred Fire thrusts the reader into a spiritual showdown that pits Christian Chris Belanger against a mysterious man simply calling himself Richard. But Richard is not as benign as he appears, as he begins to spin tales from the Holy Bible from a firsthand account, claiming to have witnessed them with his very own eyes. Chris is soon sent careening down a spiral of doubt, fear, and hopelessness that seems impossible to escape, even with his deeply held faith. Is there anything in the physical or spiritual world that will rescue him from an eternity of hopelessness?

Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
