 Alchemical Garden site February 2010 GAL is turning a
 that will educate and engage the community for years to
 come. Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical
 Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the
 public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive
 public garden through the use of symbiotic, low-maintenance plantings and recycled materials. The ancient discipline of
 Alchemy marries art and science and is famously known for transforming a common material into gold. The
 Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring
 Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form
 a more intimate relationship with their community. The space is designed with visual features and seating areas to
 compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell)
 with the garden and the community. Read the rest of this entry Categories: Alchemical Garden, Articulture, Current
