

50 Things to Know to Overcome Shyness: Tips for a More Confident, Extroverted You

Do people often accuse you of being stuck up? Do you wish you could open up and make friends more easily? Are you so shy you'd rather stay home than go out with your friends? If you answered yes to any of these questions then this book is for you... 50 Things to Know About Overcoming Shyness: Tips for Becoming a More Confident, Extroverted You by Krista KK Mounsey offers an approach to overcoming the barrier of shyness and becoming much more confident. This book will give you the tools that you need to learn how to open up to people, getting to know them and allowing them to get to know you. You do not have to let yourself be defined by your shyness. You can overcome it and become the confident, self-assured person that you desire to be and this book will show you how! By the time you finish this book, you will understand what shyness is and how you can determine what your triggers are so that you can get past it. You will learn that one of the best ways to overcome shyness is to fake it till you make it- even if you don't feel confident in situations, just pretend and eventually it will come true. So grab YOUR copy today. You'll be glad you did. For each 50 Things to Know book that is sold (not including free days), 10 cents is given to teaching and learning.
