

The Holistic & Metaphysical Resource Book: Your Guide to the Healing Arts and Conscious Living Practices

Welcome to a convenient new resource for information about complementary medicine and the mind/body/spirit connection. If you've had difficulty finding clear, reliable, concise information on conscious living practices, help has arrived with the second edition of *The Holistic & Metaphysical Resource Book*. In one volume, you will find the theory, history, and benefits of more than 250 healing arts and practices available nationally, plus more than 1,000 listings of practitioner and business resources both in the Maryland, Virginia and Washington D.C. area and internationally. The professional organization section lists those associations throughout the U.S. you may like to contact for further information on any of the subjects covered in this 857 page reference book. Whether you are new to the concept of conscious living or a seeker with experience, you'll appreciate the wealth of information in this one single source. Here is just a sampling of the topics covered:

Alternative Medicine: Acupuncture, Aromatherapy, Herbal Medicine, Homeopathy, and Massage Therapy. **Conscious Living Practices:** Feng Shui, Meditation, Gardening, Labyrinths, and Yoga. **Spirituality:** the Angelic Kingdom, the Kaballah, Prayer, and Spiritual Healing. **The Environment:** Geobiology, Planetary Healing, the Nature Kingdom, and Household Ecology. **Metaphysics:** Sacred Geometry, Past Lives, Long Distance Healing, and the Near-Death Experience. Practices that support healing for those with terminal illnesses, asthma, cancer, fibromyalgia and HIV/AIDS, to name a few.

Located on a 160 x 25 site near the south entrance of Newburyport's Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the

public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
