

Need

Zara White suspects there's a freaky guy semi-stalking her. She's also obsessed with phobias. And it's true, she hasn't exactly been herself since her stepfather died. But exiling her to shivery Maine to live with her grandmother? That seems a bit extreme. The move is supposed to help her stay sane . . . but Zara's pretty sure her mom just can't deal with her right now. She couldn't be more wrong. Turns out the semi-stalker is not a figment of Zara's overactive imagination. In fact, he's still following her, leaving behind an eerie trail of gold dust. There's something not right?not human?in this sleepy Maine town, and all signs point to Zara. In this creepy, compelling breakout novel, Carrie Jones delivers romance, suspense, and a creature you never thought you'd have to fear.

Green Artists League GALvanizing Eco-Responsibility Subscribe via RSS HOME ABOUT ALCHEMICAL GARDEN ECOVENTIONS Help Cultivate The Alchemical Garden: An Edible Garden and Art Park at Newburyport's Rail Trail Posted by erin on April 25, 2011 3 comments The Alchemical Garden site February 2010 GAL is turning a desolate field of weeds into a visually compelling garden that will educate and engage the community for years to come. Located on a 160 x 25 site near the south entrance of Newburyport's Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
