

Money in Your Mailbox: How to Start and Operate a Mail-Order Business

Written by a former advertising consultant and owner of a successful mail-order business, this guide outlines the essentials of starting and running a part-time or full-time mail-order business. Explains how to choose a product, contact manufacturers and convince them to ship your products for you. Also shows how to be your own sales force, how and where to market and advertise a product, write persuasive sales literature, and deal effectively with printers to get the best discounts.

Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
