

Success Made Simple: An Inside Look at Why Amish Businesses Thrive

The keys to better business from a thriving group of business owners—the Amish Business can be discouraging. According to US Department of Labor figures, only 44 percent of newly-opened firms will last four years. Amish firms, on the other hand, have registered a 95% survival rate over a five-year period. And in many cases, those businesses do remarkably well—as Donald Kraybill writes: the phrase Amish millionaire is no longer an oxymoron. Success Made Simple is the first practical book of Amish business success principles for the non-Amish reader. The work provides a platform of transferable principles—simple and universal enough to be applied in the non-Amish world, in a wide variety of business and management settings. Learn how to develop profitable and fulfilling enterprises as Amish explain how to build fruitful relationships with customers and employees, prosper by playing to strengths, and create an effective marketing story. Includes interviews with over 50 Amish business owners outline the role of relationships in business and the importance of the big picture—taking in long-term goals, the welfare of others, and personal integrity. Offers ideas on practical application of Amish business practices to non-Amish businesses, with bullet summaries at the end of each chapter reviewing the most important take-away points. With a focus on relationship-building and the big picture, Success Made Simple offers business owners everywhere the tools for better, smarter, more successful enterprises.

Green Artists League GALvanizing Eco-Responsibility Subscribe via RSS HOME ABOUT ALCHEMICAL GARDEN ECOVENTIONS Help Cultivate The Alchemical Garden: An Edible Garden and Art Park at Newburyport's Rail Trail Posted by erin on April 25, 2011 3 comments The Alchemical Garden site February 2010 GAL is turning a desolate field of weeds into a visually compelling garden that will educate and engage the community for years to come. Located on a 160 x 25 site near the south entrance of Newburyport's Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of

Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
