

Delightfully Raw: Delectable Recipes from Carmella's Sunny Raw Kitchen

Since launching her popular Sunny Raw Kitchen blog in 2007, Carmella Soleil has shared with her readers hundreds of mouth watering recipes, untold helpful food preparation tips and candid anecdotes drawn from her personal health journey. She is renowned for her warm and engaging writing style, her relaxed and effective approach to changing diet, and her extensive variety of accurate and fool-proof recipes. In *Delightfully Raw*, her third and most comprehensive raw recipe book, Carmella discusses a range of topics including successfully transitioning to the raw lifestyle, how best to equip a raw kitchen, and techniques like sprouting, dehydrating and preparing cultured foods and beverages. This book features 96 of her most delectable culinary creations and will appeal to anyone interested in a healthier diet, regardless of their level of knowledge and experience. From easy one-step everyday fare to more elaborate and involved gourmet dishes and layered cakes, it offers something for every occasion. Incredibly tasty smoothies, creamy and comforting warm soups, sexy salads, delicious nut cheezes, satisfying entrees and scrumptious guilt-free desserts... healthy food never tasted so good! A work of heart, as Carmella likes to call her books, *Delightfully Raw* is an honest, beautifully illustrated and joyful celebration of how delightful raw food can be.

Located on a 160 x 25 site near the south entrance of Newburyport's Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form

a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
