

# Scrapbook Page Maps: Sketches For Creative Layouts

Scrapbook Page Maps takes the guesswork out of where to begin by giving plenty of design ideas for their scrapbook layouts! By referring to the sketches in the book, you can select photos, papers and embellishments and then bring the page together quickly and easily. Helpful resource information such as a supply list and photo sizes are included on each card, along with page information cross-referencing the sketch back to the book. Scrapbook Page Maps is the essential book for beginning scrapbookers as well as those short on time. And you get more than just an inspiring, design-filled idea book! Also included is a deck of laminated cards that includes a thumbnail of many of the sketches in the book along with corresponding finished layouts.

Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience ( sight, smell, touch, taste, smell) with the garden and the community.
