

A Dangerous Game (Peabody Adventure Series #2)

Scruggs Grady is close to having his dream come true--a home of his very own, with his own mother! But disaster strikes when a mysterious aunt pops up and whisks him away to San Francisco. To muddle things even more, a secret note warns him to beware of the Juggler. In the second book of the Peabody series, Scruggs--a new Christian--finds himself caught in the middle of a ring of international spies. He has to choose whom to trust as he tries to sort out the mystery of the Juggler and the reasons his aunt has for bringing him to San Francisco. And despite the odds against him, he is determined to get back to the home that has been promised him in Peabody, Wisconsin.

Green Artists League GALvanizing Eco-Responsibility Subscribe via RSS HOME ABOUT ALCHEMICAL GARDEN ECOVENTIONS Help Cultivate The Alchemical Garden: An Edible Garden and Art Park at Newburyport's Rail Trail Posted by erin on April 25, 2011 3 comments The Alchemical Garden site February 2010 GAL is turning a desolate field of weeds into a visually compelling garden that will educate and engage the community for years to come. Located on a 160 x 25 site near the south entrance of Newburyport's Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
