

Bumper Sticker Leadership: One-Liner Wisdom on Life and Business (Leadership for Fun and Purpose)

For years, bumper stickers have provided an effective way to convey complex ideas in few simple words. Bumper stickers were social media before Twitter ever tweeted. In this book, executive coach, consultant and author Randy Lisk distills his over 40 years of experience in business into bumper stickers for your personal and team development. Using lessons learned during his years of working with leaders and executives, Randy breaks down the complexities of leadership into simple, practical and profound statements. Randy's one-liner wisdom will make you think, make you laugh and may even inspire you to discover your own Bumper Sticker Leadership maxims. The design of this book includes many graphics and is therefore too large for a regular Kindle and was constructed specifically for the Kindle Fire. Please enjoy.

Located on a 160 x 25 site near the south entrance of Newburyport's Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels: Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
