

Psychology and Personal Growth

This classic readings text is comprised of over six dozen articles, drawings, and photo-essays selected to apply psychology to your development. These selections explore six themes: identity, human communication, growth dynamics, feelings and emotions, human relationships, and a quality life. The readings present personal growth concepts in a highly personalized and lively manner. More than two-thirds of the readings are new. Each reading encourages personal reflection and/or discussion.

Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
