

Rudolf Steiner: Aspects of His Spiritual World-View

Wilkinson, in this updated, revised edition of his classic Basic Anthroposophy series, presents in a summarized form some of the basic themes of Steiners spiritual world-view, showing him as an outstanding but often misunderstood herald of a new age. In Volume 1, the subjects studied include reincarnation and karma, the spiritual nature of the human being, and the evolution of human consciousness from post-Atlantean times.

Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
