

The Cornbread Gospels

Cornbread? I LOVE cornbread! For six years, that's the response Crescent Dragonwagon got when people asked her what she was writing about. Over time, she came to understand: Not only is hot, just baked cornbread delicious, it evokes powerfully the heart, soul, and taste of home. There is an abundance of satisfying cornbreads, as Crescent discovered when she followed the cornbread trail from the Appalachians to the Rockies to the Green Mountains. Traveling to family reunions, potlucks, tortilleras, stone-grinding mills, and the National Cornbread Festival in South Pittsburgh, Tennessee, she heard the stories, tasted the breads, learned the secrets. Join her in this overflowing cornucopia: over 200 irresistible recipes for cornbreads, muffins, fritters, pancakes, and go-withs. Cornbreads from below the Mason-Dixon line (Skillet-Sizzled Buttermilk Cornbread, Truman Capotes Familys Alabama Cornbread) meet those from above (Durgin-Park Boston Cornbread, Vermont Maple-Sweetened Cornbread). Southwestern offerings Chou-Chous Dallas Hot Stuff Cornbread, delectable homemade tamales, and tortillas from scratch meet internationals like Indias Makki Ki Roti. A Thanksgiving with Crescents Sweet-Savory Cornbread Dressing is rapturous. Desserts like Very Lemony Gorgeous Cornmeal Pound Cake make any meal exceptional. Along with this, Crescent gives us the greens, the beans, the salads, stews, and soups that accompany cornbread to perfection. And she tells us the stories, too. Enthusiastic and heartfelt, this thoughtful, exuberant love song to Americas favorite breadstuff and all that goes with it will embrace readers and cooks everywhere.

Trail Posted by erin on April 25, 2011 3 comments The Alchemical Garden site February 2010 GAL is turning a desolate field of weeds into a visually compelling garden that will educate and engage the community for years to come. Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
