

# The Healing Journey

The book is really excellent - a great bridge between the orthodox and the unknown. Professor Karol Sikora, Consultant Oncologist. Matthew Manning is one of the worlds most gifted healers. In *The Healing Journey*, he provides a guide to achieving optimum health, well-being and happiness. Drawing on his own work and the research and experiences of leading healers, doctors and medical scientists around the world, he explains how our emotions are integral to our health and examines the amazing benefits of nutrition, prayer and positive thoughts. Inspired by his wives successful battle with cancer, Matthew Manning offers insight, inspiration and solid information for everyone who want to improve their health and well-being. Explains the link between your mind and your body. Reveals how to harness your positive emotions to enhance your health. Shows you how positive thoughts and images can aid the healing process. Explores the power of prayer and meditation. Provides some of the latest research into alternative treatments and scientific findings. Contains an understandable overview of how our immune system works. Includes simple and effective self-healing techniques. Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form

a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience ( sight, smell, touch, taste, smell) with the garden and the community.
