

Amazon Ungated: A Complete Video Course to Gain Category Approval In: Clothing, Fashion Jewelry, Handbags, Industrial & Scientific, Luggage, Shoes, Sunglasses, & Watches for Your Seller Account.

Do you want to sell in the most exclusive categories on Amazon? The problem is that you have to be approved to sell in these categories first. This ungating process can be frustrating and take days or sometimes weeks for the inexperienced.

Amazon Ungated details every single step needed to gain Category Approval in:

Beauty Clothing Fashion Jewelry
Grocery & Gourmet Foods Handbags

Health & Personal Care Industrial & Scientific Luggage Shoes, Sunglasses, & Watches Wellness Category approval applications can be confusing.

This course eliminates the guess work out of completing the category approval applications with over 7 hours of step by step video instruction. Learn how to edit images to pass Amazons strict guidelines.

I share the exact method of how Amazon tests your images for compliance and show how to meet their expectations. Many sellers struggle with this area in particular and I show precisely how to quickly and effectively edit images that pass the requirements. Amazon Ungated outlines strategies that you can use to stop wasting time with images that are destined to fail.

This course shows you how to best source and select images which also saves you time during the editing process. Do the required flat files have you frustrated? No need to worry, I instruct how to fill these out completely and correctly. This helps prevent dreaded wait times while communicating with Amazon reps. Follow along with meticulous online videos that can be referenced an unlimited number of times. This is the blueprint for expanding your Amazon business into new and less traveled territory. Many sellers practice retail arbitrage, wholesale, and private labeling in the open categories. However, far fewer sell in the gated categories. This gives you an edge on what inventory you can sell and reduces the amount of seller competition that you face.

Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
