

Foreign Exposure: The Social Climber Abroad

After two glorious (though somewhat hectic) semesters with her dad in New York City, Mimi must make good on her promise to her parents: summer break with her mom. But it seems going back to her cozy old life in Houston isn't in the cards. Instead, she's dragged off to Berlin, where her mother's been offered a fellowship. After a few weeks of a nightmare nanny job, it becomes clear that Mimi's European vacation isn't much of a vacation after all. On the verge of a nervous breakdown, she receives a call from Lily Morton, her friend from New York, who invites her to London, where an internship at a family friend's magazine awaits. Soon Mimi is at it again, living it up with glamorous friends, pursuing a new crush, and chasing down celebrities at her very entertaining job. For a while, Mimi's convinced she has it made. Never before has fitting in been so easy. If only it could stay that way. Mimi may have gotten a handle on the Empire State but that's nothing compared to the state of the empire!

Located on a 160 x 25 site near the south entrance of Newburyport's Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
