

I AM BRIDE: How to Take the WE Out of Wedding (and Other Useful Advice)

The first book from Upright Citizens Brigade comedian Laura Willcox, *I AM BRIDE* is a hysterical spoof of all the lavish, ridiculous, and stressful things a bride deals with when planning her BIG DAY. In this bridal gag gift, Laura Willcox writes in the voice of an overbearing, outrageous wedding planner, covering all aspects of a wedding from the moment of engagement (hopefully with the ring you've been not so subtly emailing him about for months), all the way through the final minutes of the big day. Accompanied by Jason O'Malley's humorous illustrations, Willcox offers stonewall-in-cheek advice for every wedding-planning moment, whether it's dreaming up the perfect wedding-weekend hashtag, planning a gift registry to make everyone jealous of your fabulous lifestyle, or figuring out how to distance yourself from the poor, unfortunate souls who didn't make the cut for your guest list. Laura Willcox's refreshing take on all things bride will turn tradition on its head, and have you rolling your eyes and reading passages out loud to your engaged (and married) friends. This funny book is a perfect gift for the friend who can't stop pinning to her dream wedding board, bridezilla-to-be, or any bride who would benefit from a much-needed break from the stress and madness of wedding planning.

Located on a 160 x 25 site near the south entrance of Newburyport's Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell)
