

Improving Your Project Management Skills

If a full-fledged project management course doesn't fit your schedule or your budget, check out the new edition of *Improving Your Project Management Skills*. Based on the hugely popular American Management Association seminar of the same name, this ultrapractical reference offers powerful and repeatable project initiatives that improve processes, streamline productivity, and cut costs dramatically. You'll get tools, tips, charts, lists, and never-fail advice for: planning and budgeting; defining project scope; project scheduling; implementation; performance measurement; leadership and staff issues; work breakdown structures; alignment with business goals; risk assessment and management; communication; and, project closure. Now completely revised and updated, the book is consistent with the most recent edition of *A Guide to the Project Management Body of Knowledge (PMBOK®)* and includes dozens of current practices and real-world examples. Equal parts learning tool and workplace reference, *Improving Your Project Management Skills* puts the power of a world-class project management seminar right in your hands.

Located on a 160 x 25 site near the south entrance of Newburyport's Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 **BUILD COMMUNITY:** The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
